Posted in Town Hall – February 20, 2013.

Hearing scheduled for March 5, 2013.

Attorney Cucchiaro- What this ordinance does is request that the County Clerk print the Ordinance question for the ballot in November for the Referendum. This is not actually creating the combined board it is setting up the referendum process for the voters to make that decision in November.

Hearing:

Bill Shewan- That is basically what I was going to ask. It read the same as the previous ordinance.

Attorney Cucchiaro- Yes I saw that so I wanted to clarify.

Mr. Shewan- I won't repeat what I said previously however I will refer to the minutes of the previous meeting that was addressed on February 5, 2013. Wherein I gave cost factors involved so on and so forth. I don't know if you have looked into that and given any further consideration the cost that would be involved to initiate such a process. The fact that two boards are usually again combined in smaller towns and not in larger towns like ours. I believe the population is usually 15,000. I think all this should be considered when you vote.

Citizens Hearing:

Daniel Nothstein- The Jug handles on Route 35 & 36 are controlled by NJ Department of Transportation. I was wondering how you felt about beautification of the jug handles. I called the DOT and I have a point of Contact and they said they have funds available to beautify the jug handles. There is one by Poole Avenue and Route 36 which could use some help.

Mayor Belasco- Mr. Pino can this gentleman contact you.

Interim Administrator Pino- Yes

Committeewoman Ronchetti- Thank you for taking the time to do that and getting the town some service. I applaud you.

Bill Shewan- This is something I brought to the attention of the Committee earlier in the year having to do with the minutes on the Hazlet site. There are lapses on the site for Environmental for example 6/11/12 and then the next minutes are 10/1/12. There were meetings held on 7/2-8/6-9/10/ 2012. There are no minutes available. There were also meetings held on 11/5/12; 12/3/12; 2/11/12 & 2/18/12. I do feel these minutes should be made available to the public. I sent a memo to Deputy Mayor DiNardo and copies to the rest of the Committee and Mayor. The topic was the Hazlet Pool and Tennis Club. Did you get the memo?

Deputy Mayor DiNardo- Yes I did.

Interim Administrator Pino- We are meeting this week and we will be reevaluating the entire layout of our website and probably assigning different responsibilities for people to maintain that on a more regular basis. Unfortunately some of the Boards and Committees are not full time employees so it is hard for them to communicate but that is no excuse and we should have them out there for you.
