Natco Park entrance updates (Dallas Ct)

Mayor Aagre-The appraisals were sent to the owner. We are still waiting for his response.

Monmouth County grant status

Mayor Aagre – this grant is still around, the dollar amount has been reduced. This grant could be used to put in a driveway from Middle Rd. using the property that is already owned by the town. We could put a parking lot at the end of the driveway to make a formal entrance to Natco Park. The Mayor will get information on how much money is available.

Discuss 2016 NJDEP Tree Recovery Campaign

Com. Dente- requested 500 trees but we might get up to 1000. The tree pick up is April 22 in Paramus. V. Chair. Lejda said she would pick up the trees but she would like to pick them up earlier than April 22. Com. Dente – will call to see if the trees can be picked up earlier. We need to plant them within 7 days. We should try to distribute the trees to residents if we get a large amount. Chair Cullen – we can publish a press release regarding distribution of trees and post it on the Township Website.
