Discuss the progress of buying Middle Rd. property-

Comm. Aagre stated the proposed purchase is not going well. The town sent a letter of intent to the owner. The owner wants a number from the town. He said we need to get an appraisal. The list price is 699,000. The OSAC will pay for the appraisal.

Comm. Aagre discussed using the Middle Rd. property that is already owned by the town for an entrance and parking lot for Natco Park. He proposed putting up a small building (he displayed a picture of the building) and cut the parking lot to 20 spaces. Comm. Aagre stated that he would like to improve the corner of Union Ave and Middle Rd. by adding sidewalks and a pedestrian walking path into Veterans Park. This would be paid for with grant money. This proposal is part of the 2030 master plan.

Finalize Hazlet Day preparation-

Com. Ledja was absent but she requested additional money to purchase flowers and Brita water filters to raffle off on Hazlet Day. Com. Mazza suggested approving \$300.00 for additional supplies, all agreed.

Trail Grant update-

Comm. Aagre stated that the revised grant was approved and they are moving forward. Chair. Cullen said Ms. Green(MAST) will start the sign project soon.
