Mr. Shewan commented if there is no Stone Rd. resolution to date we should follow up on this. Union Beach and Keyport committees have voted to support this. Lillian Burry read a letter of support at the Freeholders meeting. Hazlet supported this resolution in 2006 but we need to update this. Com. Bucci said this park could be a magnet to attract businesses and housing on Route 36. Com. Mazza said we should go to the township Committee and ask them to pass this resolution again. Com. Bucci said to follow up with a letter to Comm. Kiley. Com. Nicholl said we should ask Comm. Kiley to put this on the Township Committee agenda. Chair Cullen asked Com. Nicholl to e mail Comm. Kiley to request this added to the agenda. Com. Bucci said a small part of Stone Rd. Meadows is on the flood map. Mr. Shewan said the Food and Water Watch group would like to get many organizations to oppose LNG. Chair. Cullen said he signed a letter of opposition and sent it out. Com.
