Hazlet Day Recap-

Chair Cullen- It was a great day, very successful! Com. Dente-Next year we would like to team up with Home Depot to have the kids build bird houses. Maybe contact the Raritan shop classes and get them involved.

Entrance to Natco Park update-

Township Committee Liaisons Aagre and Kiley were not in attendance to give updates.

Mast/Natco Project-

Chair Cullen – Mast has started projects with two groups of 36 students in each group. Wendy Green, teacher at MAST, and her students cleared trails with the help of a GPS to find the trails. She said they found the black trail. Chair Cullen asked if there is a black trail. V. Com. Lejda said the black markers are from the Orange trail where it meets the red trail. She met with them and said that the orange trail is the trail that goes from Helfrich Lane to the lake. She said Claire Vetter, a former HEC commissioner, closed that trail because there was a Cooper hawk nesting there. Wendy’s groups cleared the orange trail and finished it. She gave Wendy some of the Natco brochures. V. Chair Lejda said Com Geer was going to meet with Wendy the next day, but Wendy said they were doing so well he didn’t have to come. It will be beautiful! Com. Bucci said trying to walk from the Gramercy on the orange trail he couldn’t reach the nesting boxes. V. Chair Lejda said Eagle Scout San Fillipo is putting in bridges. Chair Cullen said Wendy’s groups brought back a lot of garbage including a mattress and tires. Com. Bucci asked if we could call DPW to clear the orange trail. V. Chair Lejda said Committeeman DiNardo said they would clear the trails after the town is taken care of. This was after Super Storm Sandy hit. Chair Cullen – Wendy said ther is bamboo growing by the Bart Pl. A resident planted it for privacy.

Access Road to Home Depot/Sports Authority for Hazlet Residents-

Com. Bucci – there were no comments on Face book and he would like to speak to Comm. Kiley and Comm. Aagre. Com. Bucci said he hoped is proposal would spark interest for other ideas. Chair Cullen said the road would cut the parking lot

in half, would Park East want this? Com. Nichol suggested that we could ask Home Depot and Sports authority to get behind this idea.
