## INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor and Members  
of the Township Committee  
Township of Hazlet  
County of Monmouth  
Hazlet, New Jersey

We have audited the accompanying balance sheets of the various funds and the comparative statement of general fixed asset account group of the Township of Hazlet (the "Township"), as of December 31, 2014 and 2013 and the related statements of operations and changes in fund balance for the years then ended and the related statements of revenues and statements of expenditures for the year ended December 31, 2014 and the related notes to the financial statements which collectively comprise the Township's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. Because of the matter described in the "Basis for Qualified Opinion on Length of Service Award Program" paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the Length of Service Award Program.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal

control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles**

As described in Note 2, the financial statements are prepared by the Township on the basis of the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### **Adverse Opinion on U.S. Generally Accepted Accounting Principles**

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion of U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to in the first paragraph do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2014 and 2013, and the respective changes in financial position for the years then ended.

### **Basis for Qualified Opinion on Length of Service Award Program**

The financial statements of the Length of Service Award Program Fund (“LOSAP”) have not been audited and we were not required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey to audit the LOSAP Fund financial statements. The LOSAP Fund financial activities are included in the Township’s Trust Fund and represents 6.72% and 6.37% of the assets and liabilities as of December 31, 2014 and 2013 of the Township’s Trust Funds.

### **Qualified Opinion on Regulatory Basis of Accounting**

In our opinion, except for the possible effects of the matter described in the “Basis for Qualified Opinion on Length of Service Award Program” paragraph, the financial statements referred to above present fairly in all material respects, the financial position of the Township’s Trust Funds, and changes in financial position thereof for the year ended December 31, 2014 on the basis of accounting described in Note 2 to the financial statements.

### **Unmodified Opinions on Regulatory Basis of Accounting**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Current Fund, Animal Control Trust Fund, Trust Other Fund, Open Space Trust Fund General Capital Fund, Swimming Pool Utility Fund, Sewer Utility Fund, Payroll Fund, and General Fixed Asset Account Group of the Township as of December 31, 2014, and the results of its operations and changes in fund balance of the individual funds for the year then ended, and the revenues and expenditures for the year ended December 31, 2014 on the basis of the financial reporting provisions of the Division of

Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 2 to the financial statements.

### **Other Information**

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Township's basic financial statements. The accompanying financial information listed as supplementary exhibits and supplementary data in the table of contents are presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey and are not a required part of the basic financial statements.

The accompanying financial information listed as supplementary exhibits and supplementary data in the table of contents are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Except for the LOSAP Fund supplementary exhibits, such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. Except for the effects of such adjustments, if any, as might have been determined to be necessary had the LOSAP Fund, supplementary information been audited, in our opinion, the supplementary exhibits and supplementary data are fairly stated in all material respects in relation to the financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated November 30, 2015, on our consideration of the Township's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable Mayor and Members  
of the Township Committee  
Township of Hazlet  
County of Monmouth  
Hazlet, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements of the Township of Hazlet, of the State of New Jersey (the "Township"), as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Township's basic financial statements and have issued our report thereon dated November 30, 2015. The financial statements of the Length of Service Award Program (LOSAP) were not audited and we were not required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey to audit the LOSAP Fund financial statements in accordance with auditing standards generally accepted in the United States, *Government Auditing Standards* and the audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. We expressed an adverse opinion on the conformity of the statements with accounting principles generally accepted in the United States of America. As described in Note 2, the financial statements are prepared by the Township on the basis of the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion was also qualified because the Division of Local Government Services does not require the Length of Service Award Program to be audited, only reviewed.

## **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Township's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Township's internal control. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the schedule of findings and recommendations section of this report, we identified certain deficiencies in internal control that we consider to be material weaknesses.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies listed as 2014-01, 2014-02, and 2014-03 in the schedule of findings and recommendations section of this report to be material weaknesses.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Township's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However providing an opinion on compliance with these provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we have reported to management of the Township in the schedule of findings and recommendations section of this report listed as other matters.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**TOWNSHIP OF HAZLET**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2014**

**NOTE 1 REPORTING ENTITY**

This report includes the financial statements of the Township of Hazlet (the “Township”), within the County of Monmouth, in the State of New Jersey and reflects the activities of the municipality which is under the control of the Mayor and Township Committee. The financial statements of the Board of Education, First Aid Squads and Fire Districts are reported separately since their activities are administered by separate boards.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A. Description of Funds

The accounting policies of the Township conform to the accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the “Division”). Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Township accounts for its financial activities through the following separate funds which differ from the fund structure required by accounting principles generally accepted in the United States of America:

Current Fund - resources and expenditures for governmental operations of a general nature.

Grant Fund - accounts for receipts and disbursements of Federal and State grants.

Trust Funds - receipts, custodianship, and disbursement of monies in accordance with the purpose for which each reserve was created.

General Capital Fund - receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund. General bonds and notes payable are recorded in this fund and are offset by deferred charges to future taxation.

Swimming Pool Utility Operating and Capital Funds - are used to account for swim pool operations that are financed through membership fees. The funds are operated on a basis similar to private business enterprises where the intent is that the costs of providing the Swimming Pool Utility to the general public be financed through membership fees. Operations related to the acquisition of swimming pool capital facilities are recorded within the Swimming Pool Utility Capital Fund.

Sewer Utility Operating and Capital Funds - account for the operations and acquisition of capital facilities of the municipality-owned sewer utility. Bonds and notes payable of the utility fund is recorded in the Utility Capital Fund.

**TOWNSHIP OF HAZLET  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2014**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

A. Description of Funds (continued)

Payroll Fund - receipts and disbursements to account for the payroll and payroll tax liabilities of the Township. Amounts are received from the Current, Sewer Utility and Swimming Pool Utility Funds.

General Fixed Assets Account Group - is used to account for fixed assets used in general government operations.

B. Basis of Accounting

The accounting principles and practices prescribed for municipalities by the Division differ in certain respects from GAAP applicable to local government units. The more significant differences are as follows:

A modified accrual basis of accounting is followed with minor exceptions.

Budgets and Budgetary Accounting - the Township of Hazlet must adopt an annual budget in accordance with N.J.S.A. 40A:4-4 et al. N.J.S.A. 40A:4-5 which requires the governing body to introduce and approve the annual municipal budget no later than February 10 of each year. At introduction, the governing body shall fix the time and place for a public budgets and Budgetary Accounting (continued) hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulated in the municipality. The public hearing must not be held less than twenty-eight days after the date the budget was introduced. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9.

An extension of the statutory dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the Township's financial statements.

Cash, Cash Equivalents and Investments - New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of securities which may be purchased by New Jersey municipal units.

**TOWNSHIP OF HAZLET  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2014**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**B. Basis of Accounting (continued)**

Cash, Cash Equivalents and Investments (continued)

The Township of Hazlet is required to deposit funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (“GUDPA”). GUDPA was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey.

N.J.S.A. 17:9-42 requires governmental units to deposit public funds only in public depositories located in New Jersey, where the funds are secured in accordance with the Act.

Public funds are defined as the funds of any government unit. Public depositories include banks (both state and national banks), savings and loan institutions and savings banks, the deposits of which are federally insured. All public depositories pledge collateral, having a market value of five percent of the average daily balance of collected public funds, to secure the deposits of governmental units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories in the collateral pool, is available to pay the full amount of their deposits to the governmental units.

The Township considers highly liquid investments with an original maturity of three months or less at the time of purchase to be cash equivalents.

Property Taxes and Other Revenues - property taxes and other revenues are recognized on a cash basis. Receivables for property taxes and other items that are susceptible to accrual are recorded with offsetting reserves on the balance sheet of the Township’s Current Fund. GAAP requires such revenues to be recognized in the accounting period when they become susceptible to accrual, reduced by an allowance for doubtful accounts. Property taxes are payable quarterly on the first day of February, May, August and November.

Grant Revenues and Expenditures - Federal and State grants, entitlements or shared revenues received for purposes normally financed through the Current Fund are recognized when anticipated in the Township budget. GAAP requires such revenues to be recognized in the accounting period when they are earned and the expenditures to be recognized when the liability is incurred.

**TOWNSHIP OF HAZLET  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2014**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**B. Basis of Accounting (continued)**

Expenditures - unexpended or uncommitted appropriations, at December 31, are reported as expenditures through the establishment of appropriation reserves unless canceled by the governing body. GAAP requires expenditures to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, which should be recognized when due.

Encumbrances - contractual orders at December 31 are reported as expenditures through the establishment of a reserve for encumbrances. Encumbrances do not constitute expenditures under GAAP.

Appropriation Reserves - are available until lapsed at the close of the succeeding year to meet specific claims, commitments or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as additions to income. Appropriation reserves do not exist under GAAP.

Deferred Charges - the regulatory basis of accounting utilized by the Township requires that certain expenditures be deferred, and raised as items of appropriation in budgets of succeeding years. These deferred charges include the two general categories, overexpenditures and emergency appropriations. Overexpenditures occur when expenditures recorded as "paid or charged" exceed available appropriation balances. Emergency appropriations occur when, subsequent to the adoption of a balanced budget, the governing body authorizes the establishment of additional appropriations based on unforeseen circumstances or for other special purposes as defined by statute. Overexpenditures and emergency appropriations are deducted from total expenditures in the calculation of operating results and are established as assets for Deferred Charges on the respective balance sheet. GAAP does not permit the deferral of overexpenditures to succeeding budgets. In addition, GAAP does not recognize expenditures based on the authorization of an appropriation. Instead, the authorization of special purpose expenditures, such as the preparation of tax maps or revaluation of assessable real property, would represent the designation of fund balance. The status of deferred charges at December 31, 2014 is set forth in Note 8.

Compensated Absences - expenditures relating to obligations for unused vested accumulated vacation and sick pay are not recorded until paid. GAAP requires that the amount that would normally be liquidated with expendable available financial resources be recorded as an expenditure in the operating funds and the remaining obligations be recorded as a long-term obligation.

**TOWNSHIP OF HAZLET  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2014**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

B. Basis of Accounting (continued)

Property Acquired for Taxes - is recorded in the Current Fund at the assessed valuation when such property was acquired and fully reserved. GAAP requires such property to be recorded in the General Fixed Asset Group at its market value.

Interfunds - interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves. GAAP does not require the establishment of an offsetting reserve.

Inventory of Supplies - the cost of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The inventories have offsetting reserve amounts.

Capital Leases - are not recorded at the lesser of the fair value of the leased property or the present value of the minimum lease payments. GAAP requires an amount equal to the lesser of the fair value of the leased property or the present value of the minimum lease payments to be recorded in a General Fixed Assets Account Group and the long-term obligation to be recorded as part of a General Long-Term Debt Account Group.

Fixed Assets - Utility - property and equipment purchased by the Utility Funds is recorded in the Utility Capital Funds at cost and is adjusted for dispositions and abandonments. The amount reported for reserve for amortization of fixed capital acquired on the balance sheets of the Utility Capital Funds represent the aggregate charges (capital outlay and debt service) to the operating budgets for the costs of acquisitions of property and equipment and Fixed Assets - Utility (continued) proceeds from grants-in-aid. The utilities do not record depreciation of property and equipment. GAAP does not require the establishment of a reserve for amortization of fixed capital, whereas it does require the recognition of depreciation of property and equipment by enterprise funds.

Reserve for Sale of Municipal Assets - cash proceeds from the sale of Township owned property may be reserved until utilized as an item of anticipated revenue in a subsequent year budget. Year end balances of such proceeds would be reported as a cash liability in the Current Fund. GAAP requires that revenue be recognized in the accounting period that the terms of sales contracts become legally enforceable.

**TOWNSHIP OF HAZLET  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2014**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**B. Basis of Accounting (continued)**

General Fixed Assets - property and equipment purchased by the Current and the General Capital Funds are recorded as expenditures at the time of purchase and are not capitalized.

Accounting for Governmental Fixed Assets, as promulgated by Technical Accounting Directive No. 2 as issued by the Division of Local Government Services, differs in certain respects from GAAP. The following is a brief description of the Directive.

Fixed assets used in governmental operations (general fixed assets) are accounted for in the General Fixed Assets Account Group. Public domain (“infrastructure”) general fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized.

All fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available except for land which is valued at estimated market value.

No depreciation on general fixed assets is recorded in the financial statements.

Fixed assets acquired through grants-in-aid or contributed capital are not accounted for separately.

Comparative Data - comparative total data for the various funds for the prior year has been presented in the accompanying Balance Sheets and Statements of Operations and Changes in Fund Balance in order to provide an understanding of changes in the Township’s financial position. However, Comparative Statements of Revenue and Statements of Expenditures have not been presented since this inclusion would make the statements unduly complex and difficult to read.

**C. Basic Financial Statements**

The GASB Codification also defines the financial statements of a governmental unit to be presented in the general purpose financial statements to be in accordance with GAAP. The Township presents the financial statements listed in the table of contents which are required by the Division and which differ from the financial statements required by GAAP.

In addition, the Division requires the financial statements listed in the table of contents to be referenced to the supplementary schedules. This practice differs from GAAP.

**NOTE 3 CASH, CASH EQUIVALENTS and INVESTMENTS**

Deposits

As of December 31, 2014, the Township's deposits had a book balance of \$16,965,337.49.

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that, in the event of bank failure, the Township's deposits might not be recovered. Although the Township does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholding, bail funds that may pass to the municipality relative to the happening of a future condition. Such funds are shown as Uninsured and Uncollateralized in the schedule below.

As of December 31, 2014, the Township's bank balances of \$17,126,081.62 were exposed to custodial credit risk as follows:

Uninsured and Uncollateralized	\$	-
Insured		<u>17,126,081.62</u>
Total	\$	<u>17,126,081.62</u>

Investments

As of December 31, 2014, the Township had the following investments:

	<u>Book Value</u>	<u>Fair Value</u>
LOSAP	\$296,870.69	\$296,870.69

Interest Rate Risk

LOSAP investment options are at the discretion of each individual participant and not the Township.

**TOWNSHIP OF HAZLET  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2014**

**NOTE 3 CASH, CASH EQUIVALENTS and INVESTMENTS (continued)**

Credit Risk

State law limits investments as noted above.

The fair value of the above-listed investments was based on quoted market prices.

During the year, the Township had none of its idle funds invested in repurchase agreements collateralized by eligible securities. At the close of the year, no such investments were held by the Township.

**NOTE 4 BONDS AND NOTES AUTHORIZED BUT NOT ISSUED**

At December 31, 2014 the Township of Hazlet had authorized but not issued bonds and notes as follows:

General Capital Fund	\$ 538,950.00
Swimming Pool Utility Capital Fund	\$ -
Sewer Utility Capital Fund	\$ -

**NOTE 5 LONG-TERM DEBT**

The Local Bond Law governs the issuance of bonds and notes to finance general municipal capital expenditures. Bonds are retired in serial installments within the statutory period of usefulness. Bonds issued by the Township are general obligation bonds, backed by the full faith and credit of the Township. Bond anticipation notes are issued to temporarily finance capital projects, prior to the issuance of serial bonds. The terms of the notes cannot exceed one year but the notes may be renewed from time to time for a period not exceeding one year. All such notes must be paid no later than the tenth anniversary of the date of the original note. The State of New Jersey also prescribes that on or before the third anniversary date of the original note a payment of at least equal to the first legally payable installment of the bonds in anticipation of which such notes were issued be paid. A second legal installment must be paid if the notes are to be renewed beyond the fourth anniversary date of the original issuance and so on. Tax anticipation notes are issued if the cash on hand is not sufficient to carry on normal operations of the municipality at any time during the year. Such notes are authorized by a resolution adopted by the governing body.

**NOTE 7 DEFERRED CHARGES TO FUTURE TAXATION FUNDED AND UNFUNDED**

Upon the authorization of capital projects, the Township establishes deferred charges for the cost of the capital projects to be raised by future taxation. Funded deferred charges relate to permanent debt issued, whereas unfunded deferred charges relate to temporary or non-funding of the authorized cost of capital projects. According to the New Jersey Statutes Annotated 40A:2-4, the Township may levy taxes on all taxable property within the local unit to repay the debt. Annually, the Township raises the debt requirements for the particular year in the current budget. As funds are raised, the deferred charges are reduced.

**NOTE 8 DEFERRED CHARGES TO BE RAISED IN SUCCEEDING BUDGETS**

As noted in Note 2, certain expenditures are required to be deferred to budgets of succeeding years. At December 31, 2014, the following deferred charges are shown on the balance sheet of the various funds:

	<u>Balance Dec. 31, 2014</u>	<u>2015 Budget Appropriation</u>	<u>Balance to Succeeding Budgets</u>
Current Fund:			
Special Emergency	\$119,400.00	\$ 39,800.00	\$79,600.00

The appropriations in the 2015 budget are as required by statute.

**NOTE 9 TAXES COLLECTED IN ADVANCE**

Taxes collected in advance and set forth as cash liabilities in the financial statements, are as follows:

	<u>Balance December 31,</u>	
	<u>2014</u>	<u>2013</u>

**TOWNSHIP OF HAZLET  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2014**

**NOTE 10 ASSESSMENT AND COLLECTION OF PROPERTY TAXES**

New Jersey statutes require that taxable valuation of real property be prepared by the Township Tax Assessor as of October 1<sup>st</sup> in each year and filed with the County Board of Taxation (“Board”) by January 10<sup>th</sup> of the following year. Upon the filing of certified adopted budgets by the Township, Local School District and County, the tax rate is struck by the Board based on the certified amounts in each of the taxing districts for collection to fund the budgets. Pursuant to statute, this process is to be completed on or before May 20<sup>th</sup>, with a completed duplicate of the tax rolls to be delivered to the Township Tax Collector (“Collector”) on or before June 3<sup>rd</sup>. Tax bills are prepared then mailed by the Collector of the Township annually and set forth the final tax for the tax year. The bill contains a credit for preliminary amounts billed previously with the balance payable in equal installments on August 1<sup>st</sup> and November 1<sup>st</sup> of the tax year. In addition the property owner receives a preliminary bill for the succeeding year based on one half of the prior year’s tax. The preliminary payments are due and payable on February 1<sup>st</sup> and May 1<sup>st</sup>. The N.J. Statutes allow a grace period of 10 days for each payment period and the Township granted this option to taxpayers. Taxes become delinquent if not paid on the installment dates and become subject to interest penalties of 8% or 18% of the amount delinquent. If taxes are delinquent as of the eleventh day of the eleventh month of the fiscal year, the delinquent amount is subject to “Tax Sale” which places a tax lien on the property allowing the holder to enforce the tax lien by collection or foreclosure. New Jersey property tax laws establish a tax lien on real estate as of January 1<sup>st</sup> of the current tax year even though the amount due is not known.

**NOTE 11 LOCAL DISTRICT SCHOOL**

Under the provisions of statute, where the school tax is raised for a school year the unpaid portion of the tax on December 31 of the year of levy may be deferred to the extent of not more than 50% of the levy, provided that no requisition has been made for such amount or any portion of such amount.

Whereas the Local School District Taxes are raised on a calendar year basis, the Township of Hazlet has no deferred school taxes at year end.

Accordingly, costs are recognized when paid.

The Township serves as Trustee under the Plan.

Determination as to Eligibility - Each emergency service organization shall provide to the Township Administrator, acting as the Plan Administrator of LOSAP Plan, a certified list as to the active volunteer members who are initially eligible to participate in the Plan and those who are eligible to participate as of each January 1 thereafter. The Plan Administrator shall forward said certified list to the Township Committee for approval, in accordance with the provisions of N.J.A.C. 5:30-14.10. The decision of the Township Committee as to such active member’s eligibility shall be binding upon the Plan Administrator, participant, beneficiaries and any and all other persons having an interest hereunder, subject to appropriate judicial review.

Terms of Participation - The Plan Administrator shall have the right to require any active volunteer member at the time of his or her becoming a participant to agree, in writing, to be bound by the terms, covenants and conditions of the LOSAP and accompanying trust. Each participant shall furnish to the Plan Administrator all pertinent information required for the administration of the LOSAP. **NOTE 22 CONTINGENT LIABILITIES**

A. Accrued Sick and Vacation Pay (unaudited)

As described in Note 2 and in accordance with accounting principles prescribed by the State of New Jersey, the cash basis of accounting is followed for recording the Township's liability related to unused vacation and sick pay, which may be taken as time off or paid at a later date at an agreed-upon rate. The Township estimates the current cost of such unpaid compensation would be \$1,540,000.00 at December 31, 2014. In accordance with the accounting principles prescribed by the State of New Jersey, no reserves have been established for this potential liability.

B. Litigation

The Township is involved in legal and administrative proceedings and claims of various types. While any litigation contains an element of uncertainty, Township Officials, based upon the opinion of the Township's Counsel, presently believe that the outcome of each such proceeding or claim which is pending or known to be threatened, or all of them combined, will not have a material adverse effect on the Township's financial position or adversely affect the Township's ability to levy, collect, and enforce the collection of taxes or other revenue for the payment of its bonds or other obligations.

C. Federal and State Grants

The Township receives financial assistance from the U.S. government and the State of New Jersey in the form of grants. Entitlement to the funds is generally conditional upon compliance with terms and conditions of the grant agreements and applicable regulations, including the expenditure of the funds for eligible purposes. Substantially all grants, entitlements and cost reimbursements are subject to financial and compliance audits by grantors. As a result of these audits, costs previously reimbursed could be disallowed and require payments to the grantor agency. As of December 31, 2014, the Township estimates that no material liabilities will result from such audits.

The Reserve for Unemployment Compensation Insurance at December 31, 2014 totaled \$57,763.36.

**NOTE 23 SUBSEQUENT EVENTS**

On March 3, 2015, the Township adopted an ordinance providing for various 2015 capital improvements to the Hazlet Swim and Tennis Club for a total appropriation of \$200,000. The ordinance authorizes \$69,000 in bonds or notes.

The ordinance authorizes \$1,155,500 from the capital improvement fund, \$149,869 from a Monmouth County Community Development Block Grant and \$79,000 from a Monmouth County Open Space Grant.

On September 15, 2015, the Township adopted an ordinance amending and supplementing the ordinance adopted on August 3, 2010, increasing the authorization of bonds or notes by \$285,000 and the down payment by \$15,000.

On September 15, 2015, the Township adopted an ordinance providing for improvements to Police Headquarters for a total appropriation of \$600,000. The ordinance authorizes \$495,000 in bonds or notes.

## GENERAL COMMENTS

### Contracts and Agreements Required To Be Advertised for N.J.S. 40A:11-4

N.J.S. 40A:11-4 states, "Every contract awarded by the contracting agent for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the governing body of the contracting unit to the lowest responsible bidder after public advertising for bids and bidding therefor, except as is provided otherwise in this act or specifically by any other law."

The Governing Body of the Municipality has the responsibility of determining whether the expenditures in any category will exceed the bid threshold within the fiscal year. Where questions arise as to whether any contract or agreement might result in violation of the statute, the Township Counsel's opinion should be sought before a commitment is made.

The minutes indicate that bids were requested by public advertising for the following items:

Backhoe Loader with Plow	Leaf Bags
Cullen Center HVAC Upgrade	Grinding and Brush Removal
In-Pool Aquatic Type Climbing Wall	Pool Filters
2014 Road Improvement Program	Broker of Health Insurance
Fencing at the Steven Patterson Memorial Field, Swim and Tennis Club and Evergreen Park	

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear cut violations existed.

The minutes indicate that resolutions were adopted and advertised authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S. 40A:11-5.

Our examination of expenditures did not reveal individual payments in excess of the bid threshold "for the provision or performance of any goods or services" other than those where bids had been previously sought by public advertisement or where a resolution had been previously adopted under the provision of N.J.S. 40A:11-6.

### Purchases, Contracts or Agreements Not Required to be Advertised by N.J.S. 40A:11-6.1

N.J.S. 40A:11-6.1 states, "For all contracts that in the aggregate are less than the bid threshold but exceed 15 percent or more of that amount, and for those contracts that are for subject matter enumerated in subsection (1) of section 5 of P.L. 1971, c. 198 (C.40A:11-5), except for paragraph (a) of that subsection concerning professional services and paragraph (b) of that subsection concerning work by employees of the contracting unit, the contracting agent shall award the contract after soliciting at least two competitive quotations, if practicable. The award shall be made to a vendor whose response is most advantageous, price and other factors considered."

Collection of Interest on Delinquent Taxes and Assessments

The statute provides the method for authorizing interest and the maximum rates to be charged for the nonpayment of taxes and assessments on or before the date when they would become delinquent.

The Governing Body, on February 4, 1997, adopted the following ordinance authorizing interest to be charged on delinquent taxes and assessments:

- A. Tax Collector is hereby authorized and directed to charge 8% per annum on the first \$1,500.00 of taxes becoming delinquent after due date and 18% per annum on any amount of taxes in excess of \$1,500.00 becoming delinquent after due date and if a delinquency is in excess of \$10,000.00 tax and interest and remains in arrears beyond December 31<sup>st</sup>, an additional penalty of 6% shall be charged.
- B. No interest shall be charged if payment of any current tax installment is made within the tenth calendar day following the date upon which the tax installment became due, before 1:00 PM.
- C. Any payment not made in accordance with Subsection B of this section will be charged interest from the tax due date.
- D. That with respect of a tax sale certificate, when the taxes, interest and cost shall be between \$200 to \$4,999, an additional sum equal to 2% of such amount to be paid shall be added to the amount to be paid; when the taxes, interest and costs shall be between \$5,000 to \$9,999, and additional sum equal to 4% of such amount to be paid shall be added to the amount to be paid; and when the taxes, interest and costs are \$10,000 or higher, and additional sum equal to 6% of such amount to be paid shall be added to the amount to be paid and, when on the close of the year, on delinquencies over \$10,000, tax and interest included, an additional sum equal to 6% of such amount to be paid shall be added to the amount to be paid. These charges shall also apply to all existing certificates held by the Township and as of January 1, 1996, also apply to certificates held by outside lienholders.

**Material Weaknesses**

**Financial Administration**

2014-01      **Reconciliation of Tax Office Financial Records to the Finance Office Financial Records**

**Criteria:** Reconciliation of general ledger activity and account balances to the tax collector's records is essential in maintaining control over the tax related financial activity of the Township and the preparation of fairly stated financial statements. Recording of transactions in the proper accounting period is essential in the preparation of fairly stated financial statements.

**Condition:** The ending balances of the general ledger were reconciled to the ending balances per the tax collector's subsidiary records however the transactions groups such as refunds and cancellations were not reconciled. The tax collector's office is not always recording refunds that have occurred.

**Cause:** The Township has not adopted accounting policies and procedures to reconcile activity between the finance department and the tax office.

**Effect:** The financial activity related to taxes in the unaudited financial statement submitted to the Division of Local Government Services was restated in the audit. Lack of a reconciliation process compromises the ability to safeguard assets. Taxpayers have credits on their accounts that were previously refunded.

**Recommendation:** Policies and procedures should be written and adopted which include a complete reconciliation of the finance office records to the tax collector's records.

**Response:** The Township will develop and implement policies and procedures to improve communication between the finance department and the tax office to ensure all transaction groups are properly reconciled and transactions are recorded in the proper period in the tax office.

Tax Office – Recording of Appeals Against the Proper Tax Year

**Criteria:** Recording of tax appeals against the proper tax year is essential in the preparation of fairly stated financial statements.

**Condition:** Tax appeals are being recorded against tax years in which there is an open balance rather than the year for which the appeal occurred.

**Cause:** The Township has not adopted accounting policies and procedures in the tax office to record tax appeals against the proper tax year.

**Effect:** The financial activity related to taxes in the unaudited financial statement submitted to the Division of Local Government Services was restated in the audit. The collection rate used for preparing the reserve for uncollected taxes utilized in the budget process may be significantly impacted.

**Recommendation:** Policies and procedures should be written and adopted which include procedures to record tax appeals against the proper tax year.

**Response:** The Township will develop and implement policies and procedures for a review of all tax appeal adjustments to ensure that transactions are recorded against the proper tax year.

2014-03

Sewer Utility Billings and Collections

**Criteria:** A proper segregation of duties is essential to the safeguarding of assets. Reconciliation of general ledger activity and account balances to the sewer utility collector's records is essential in maintaining control over the sewer utility billings and collections. Review of sewer bills prior to being issued is an effective control to determine that billings are materially accurate.

**Condition:** One individual is responsible for all aspects of sewer billing and collection. There are limited reconciliation procedures performed between the sewer utility collector's computerized records and the finance records.

**Cause:** The Township has not adopted accounting policies and procedures to implement a proper segregation of duties nor to reconcile the activity between the finance department and the sewer utility department for billings and collections.

**Effect:** Lack of a segregation of duties and reconciliation process compromises the ability to safeguard assets. Commercial properties were billed \$100 per EDU rather than the \$99 stipulated by the Township ordinance.

**Recommendation:** A proper segregation of duties should be established within the sewer utility office and reconciliation process between the finance department and the sewer utility department should be implemented for billings and collections.

**Response:** With only one employee dedicated to sewer billing and collection, proper segregation of duties would necessitate the hiring of additional personnel. The new personnel would be responsible for the billing of accounts with the Director responsible for the collections.
