

Hazlet Summer Day Camp Philosophy

Hazlet Recreation Summer Day Camp is a co-ed camp for children in grades K-7. Our staff provides the support necessary to create an environment in which children can play, learn, and grow. Between daily swimming, trips, sports, arts and crafts, and games, campers have the perfect setting to develop socially and physically. Social skills and self-confidence are promoted through stressing sportsmanship, emphasizing teamwork, teaching responsibility, and building self-esteem. We strive for all campers to have a summer of fun-filled experiences.
