

**HOW TO IDENTIFY YOUR ZONE NUMBER
AND USE THE SCHEDULE**

Remove the center sheet from this booklet. Locate your street from the list, which is in alphabetical order, and take notice of the coinciding zone number. On the sheet with the schedule, locate the schedule that matches your zone number and follow the schedule for all your curbside collections for the entire year. Take note of the following:

RECYCLING YARD CLOSED FOR HOLIDAYS:

Jan. 1st & 15th
Feb. 19th
Mar. 30th
May 28th
July 4th
Sep. 3rd
Oct. 8th
Nov. 6th, 12th, 22nd, & 23rd
Dec. 24th, 25th & 31st

ATTENTION:

Recycling changes due to holidays

March 30th zone 7 recycling moved to April 2nd
July 4th zone 2 recycling moved to July 2nd
Nov. 6th zone 1 recycling moved to Nov. 5th
Nov. 10th zone 7 recycling moved to Nov. 13th
Nov. 22nd zone 5 recycling moved to Nov. 29th
Nov. 23rd zone 7 recycling moved to Nov. 26th
Dec. 25th zone 2 recycling moved to Dec. 26th

CONSTRUCTION DEBRIS

Construction debris is the responsibility of the contractor and/or resident to dispose of. This includes lumber, paneling, plasterboard, roofing material, fencing, concrete, asphalt, brick, and similar items. The resident and/or contractor must make arrangements with their garbage contractor for the disposal of these items.

GRASS CLIPPINGS

Hazlet Township does not collect curbside or accept grass clippings at the Recycling Yard at any time during the year. We encourage you to “clip it and leave it” or contact your garbage company to make the proper arrangements.

RECHARGEABLE AND AUTOMOBILE BATTERIES

You may drop off your rechargeable batteries at our recycling facility, located on Leocadia Ct. during operating hours (check hours of operation on page #1). Hazlet Township **no longer accepts** household batteries. You may also place rechargeable and automobile batteries curbside during the scheduled white metal collection.

USED MOTOR OIL AND ANTIFREEZE

Hazlet Township **will not accept** used motor oil, antifreeze, or used oil filters at our Recycling Center. Those items can be taken to a full service station or the Monmouth County Reclamation Center. The telephone number for the Monmouth County Reclamation Center is: 732-683-8686 ext. 5210.

WHITE METAL

White metal consists of all items made of metal including large appliances. Any items containing Freon, such as air conditioners, refrigerators, and freezers require a \$25.00 check made payable to Hazlet Township. These items will be collected 4 times a year (see the recycling schedule for these dates) or they may be brought to the Recycling facility during regular operating hours (check hours of operation on page #1).
