## *REVELATIONS* By Liz Roberts

Come out and join Liz Roberts, a freelance writer who has just published her first book, *Revelations*, a mystery/romance that takes place at the Jersey Shore, particularly in Keansburg. Liz has been writing for over forty years having first published at age sixteen. She has since written op ed pieces for The Asbury Park Press, Bergen Record, Newark Star Ledger, New York Times and Britain's The Guardian. She is the creator of the internationally read food blog, Foodie Pantry, and is working on a series of novels based on Port Monmouth's Spy House.

Liz is a professor at her alma mater, Fairleigh Dickinson University's Teaneck/Hackensack campus, where she graduated with a BA in English Literature and an MPA in Public Administration. A concerned environmentalist, she also belongs to both Clean Ocean Action and The Raritan Baykeeper. She has participated in many beach sweeps along the Raritan Bay and has written extensively about keeping the bay waters and ocean clean. Though she was born, raised and continues to live in Saddle Brook, her true love lies here, at the Jersey Shore.
