Public Notice: Elevation Certificates & Flood Insurance Information

Attention all Property Owners, Lenders, Insurance Agents and Real-estate Agents. The Township of Hazlet maintains Flood Elevation Certificates on all new and substantially improved buildings that are located within our flood zone areas.

Elevation certificates are available upon request at the Floodplain Administration Office located in the Planning, Zoning and Construction Department. To access these files and or obtain copies of Elevation Certificates, please schedule an appointment or contact Frank DiRoma at 732-264-1700 extension 8660 or via email fdiroma@hazletwp.org.

Flood Insurance Rate Maps are available for your use and located in the Citizens review room within the Municipal Building 1766 Union Avenue, Hazlet NJ. You can also find these maps on the Townships website at www.hazletwp.org and look up your specific flood risk at: www.region2coastal.com/sandy/table

Additional resources and literature regarding Flood Prevention control and the NFIP can be found at the following municipal locations:

Library - 251 Middle Road, Hazlet NJ.

Cullen Center - 1777 Union Avenue, Hazlet NJ
