The information provided is true to the best of my knowledge. Swim lessons are available on a first come first served basis. I understand that each individual using the facilities will do so at his or her own risk, and by signing this document I agree to release the Township from any and all liability with respect to any injury or accident, which may occur at the facilities to myself and all registrations above. It is also understood that the supervision of minors is the responsibility of their parent or guardian, and the Township shall not be responsible for any bodily injury or harm which takes place at the facility. Only U.S. Coast Guard approved floatation devices are permitted in the pool. I agree to abide by the rules and regulations of the H.S.T.C available at the club office and Recreation Department, and will inform those listed above and guests. No alcohol permitted within the club facilities. Daily admittance and pass issuance for guest of plan holders, special events, heat waves and or other potential facility use are subject to maximum occupancy limitations at the discretion of the Director of Recreation in conjunction with the Certified Pool Operator and onsite managers. Special events and other daily admittance will be offered time to time and announced in advance, whenever possible where attendees will be subject to registration, applicable rules, regulations and any imposed limitations. Refunds are available only up to July 4th at the discretion of the Hazlet Township Committee and may be subject to a 15% administrative charge.
