

Lecture in Song

• I R V I N G B E R L I N •

Pianist / Singer / Narrator Fred Miller presents an overview of the work of Irving Berlin. Berlin's themes are universal and immediately recognizable, those experiences all humans have in common: joy, sorrow, hope, despair, zany humor, bewilderment, love and loss, all in simple song. From the rough-and-ready world of ragtime to the ultimate elegance and sophistication of Hollywood, Irving Berlin was, is, and always will be the quintessential American songwriter.
