

Electronics Policy 2017 Summer Camp

Our Electronics Policy is designed to:

- Encourage your children to spend more time in the outdoors
- Promote socialization between campers
- Remove the divide between “the haves and the have-nots”
- Reduce the stress associated with the damage to and theft of electronics
- Give your children a much needed break from the world of technology
- Ensure that your children are not exposed to age-inappropriate material
- Ensure that your children cannot post their camp photos on the internet
- Ensure that your children are not focusing on situations outside of camp
- Prevent your children from hearing about situations and incidents concerning home and family before their parents have a chance to communicate with them

CELL PHONES LAPTOPS, NETBOOKS, iPADS, eREADERS GAMEBOYS, PSPs, NINTENDO DSs - It is our policy that none of these or similar electronic devices will be allowed at camp.

We recommend that your child powers down, unplugs, and takes what we’re certain is a well-needed break from the world of electronics. If there is an emergency you can call the camp office, 732-739-0653. If you have any questions or want further clarification, please contact one of the Directors.

If a child brings any of the above items to camp, Hazlet Recreation and Summer Camp has no responsibility if devices are brought to camp and are damaged, lost or stolen.

Camper Name _____ Parent/guardian signature _____
