General Interest Meeting - Relay for Life of Hazlet, NJ

James J Cullen Center (1776 Union Ave. Hazlet, NJ 07730)

The month of October is Breast Cancer Awareness Month. Each year, the American Cancer Society's vision for a world free from the pain and suffering of ALL cancers (including breast cancer) becomes more and more within reach. With your support, the American Cancer Society is here not only to continue groundbreaking cancer research, but also to offer around the clock assistance to individuals and families affected by cancer.

The Relay for Life program is the signature fundraising event that supports the mission of the American Cancer Society. Each year, hundreds of individuals come out to join the fight against cancer at the Relay for Life of Hazlet. Please join us on Tuesday, November 1<sup>st</sup> at 6:30 PM at the Cullen Center for a general interest meeting. Anyone who is interested in learning more about volunteering for the Relay for Life of Hazlet is strongly encouraged to attend.

All are welcomed and encouraged to attend! For more information, please contact:
