Hazlet, New Jersey
732-787-3636

Attention: Commercial Owner

The State of New Jersey requires that you must separate certain recyclables from your solid waste. Hazlet Township recycles newspapers, aluminum, glass, tin, cardboard, high grade paper, plastic (pourable containers up to a gallon) and magazines.

Please complete the section below and return to the above address. If your landlord is responsible for the recycling on the premises, please give the landlord's information and recycling haulers name and return with your application.

Thank you in advance for your cooperation.

David Rooke
Superintendent
