

Hazlet's American Hero Project

Hazlet currently has 24 actively serving military personnel. We, as a town, are planning on sending each of them a care package for the holiday season. I will be shipping out the packages on December 5th, so that they can get to our troops in time! We will be collecting final donations by 12/1, to pack them up and mail them out to our men and women for Christmas.

Donation wish list (as per my son and his base mates) is as follows:

- Amazon gift cards
